

FISCAL NOTE

SB 1490 - HB 1636

March 13, 2003

SUMMARY OF BILL: Requires a local government which maintains a regular police department to make monthly deductions of membership dues for an employee association at the written request of an employee of such department. Specifies that requirement only applies if the association's membership is not less than 50% of the eligible local government employees. Provides that a local government shall not be required to deduct dues for more than one employee association.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures - Not Significant

Many local governments already make such deductions on behalf of their eligible employees. This estimate assumes local governments not currently making such deductions could do so within their existing resources.
